

YORKTON AND DISTRICT HORTICULTURAL SOCIETY JUNIOR GARDENER BURSARY APPLICATION FORM

Name Of School _____

Address _____

Postal Code _____ Phone # _____

Teacher Contact Name _____

Email (optional) _____

Age Group of Class _____

Number of students in the class _____

Please tell us briefly about your proposed gardening projects or ideas:

PLEASE NOTE:

Bursaries are to be used for permanent gardening items which can be used again year after year: growing tables, planters, grow lights, gardening books, garden tools, or teaching aids related to gardening. Money can be used for indoor gardening projects or education during the school year.

If you are doing an outdoor project, money may be used for planters, garden implements, and perennials, trees or shrubs (these are considered permanent and on-going).

Bursaries are not to be used for seeds or bedding plants or anything that is considered “disposable” after one gardening season. The goal of the bursaries is to provide you, the teacher, with permanent tools and supplies that may be used now and for future students.

Each successful applicant is required to provide a written report at the end of the gardening (school) year, complete with pictures of their projects.

Receipts from your purchases must also be submitted.

Please mail your application form to:

Yorkton and District Horticultural Society
P.O. Box 761
Stn Delcentre
Yorkton, Saskatchewan
S3N 2W8

Successful applicants will be notified in writing.

The Yorkton and District Horticultural Society reserves the right to amend or conclude this program at any time. In the unlikely event that this happens, all participants will be notified in writing .
